Talk: UI/UX Design EVENT DETAILS

DESCRIPTION

UX design is all about identifying and solving user problems, UI design is all about creating intuitive, aesthetically-pleasing, interactive interfaces. Join us as the Department of Information Technology, Padre Conceicao College of Engineering hosts an interactive talk on UI/UX Design & Development, open to all the students and faculty of PCCE. An opportunity to hone the skills to design successful digital products that customers and audiences love.

ABOUT THE SPEAKER:

Miss Twinkle Bagkar

CEO of WEBLOZEE IT Solutions
